DARBY
DARBY DENTAL SUPPLY, LLC

We value your business and would like to extend a $10,000 line of credit for your year-end capital equipment purchases. Now is the right time to go through your Darby Equipment Supplement and take advantage of this great opportunity. You can fulfill your equipment needs and deduct a substantial amount of its value in accordance with IRS Section 179. This will allow you to start enjoying bonus savings on all your equipment needs before the end of the tax year.

Darby's EZ Plan

Darby will help Finance your Dream Practice with Hassle-Free, Interest-Free Financing

All Darby Customers in Good-Standing are APPROVED for $10,000!

- No Money Down!
- No Credit Check!
- No Application!
- No Interest!
- No Hassle!
- No Gimmicks!

EZ Pay Plan Terms and Conditions:

This offer is valid for the intended recipient only. Not all Darby Dental Supply, LLC Customers will qualify for this offer. Small and large equipment purchases between $3,500-$10,000 qualify for 6 months interest-free financing. Financing is funded directly from Darby Dental Supply, LLC. Customers must be active for at least 3 months with good payment history and no past due balance. Total invoice will be be divided into six equal payments. Payments will be automatically processed on the 15th of every month beginning the 15th of the following month via credit card or electronic check. Qualifying products will be determined at the sole discretion of Darby Dental Supply, LLC. Consumables do not qualify. Offer Expires 12/31/15

IRS Section 179 encourages business owners to invest in equipment or technology by allowing them to deduct a substantial amount of the asset's value the first year. Capital leases qualify for a tax deduction for the year they are placed in service. Contact your tax advisor to determine if your current equipment needs may qualify you for Section 179 tax savings.

Not Responsible for Typographical Errors

Darby is an authorized dealer for many major equipment lines. Our equipment specialists are here to assist you!

clio

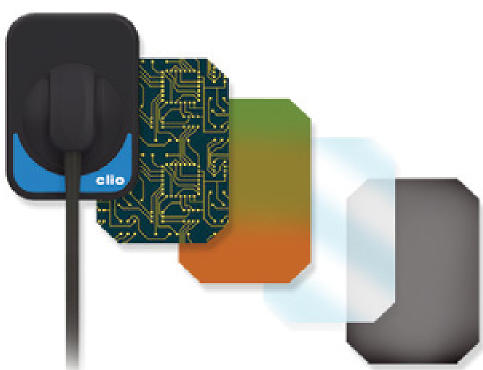

Digital X-ray Sensors

Available in size #1 and size #2

Clio sensors feature a patented Kevlar reinforced strain relief cable entry and ultra durable tungsten cables that can stand up against the toughest work environment. Hermetically sealed and completely waterproof, Clio sensors are one of the most durable sensors available. That's why they come standard with a 5-year extended warranty

- Next Generation CMOS for crystal clear x-rays
- Comfortable rounded edges
- Expertly engineered with special shock absorbers
- Repairable cables
- 5-Year extended warranty

Open Architecture
Works directly in software like:

VixWin PLATINUM

DEXIS

Clio X-ray Sensors and Cliosoft Software integrate hassle-free into most imaging software. Features advanced tools for quicker patient exams, auto image processing, and auto-bridge onto your practice management like Easy Dental, Eaglesoft, Practiceworks, Softdent, and more.
